When used as Carpet Deodoriser it will successfully counteract carpet odours as it contains anti-bacterial ingredients and a very effective perfume.

FEATURES AND BENEFITS:

- Non-Hazardous and Non-Flammable.
- Environmentally Friendly and Biodegradable.
- Superior Stain Removal and Fresh Fragrance.
- Suitable for Upholstery and Curtains.

TECHNICAL INFORMATION:

Appearance	Clear water white liquid.
Odour	Mountain Air
pH	9.5 – 10.5
Solubility in Water	Infinite

USE:

Carpet Spotter: Spray the soiled area, taking care not to over wet the carpet. Allow two minutes contact time, then blot with a clean, colour fast absorbent cloth, working from the edge of the stain to the centre. This prevents spreading the spill over a larger area. Repeat the process until the carpet is clean.

Carpet Deodoriser: Spray a fine mist over the carpet and allow to dry. Spray directly onto the odour causing area to kill bacteria. A regular spray into the corners of a room will provide adequate odour control for extended periods.
Not for use as atmospheric spray.

SAFETY: Causes skin irritation. Causes serious eye irritation

Keep out of reach of children. Read label before use. Wash hands, face and all exposed skin thoroughly after handling. Wear protective clothing, gloves and eye/face protection.
