mjsfloorcoverings.com.au

THE PROUD HISTORY OF **MJS Floorcoverings**

MJS, an Australian family owned and operated Company, was founded by the late Mervyn John Sturgess (MJS) in 1967.

Originally founded in Brisbane, MJS now has a national footprint, supplying professional products from brand leaders to the flooring industry of Australia.

MJS owes its continued success to its pillars of strength being; satisfied customers, dedicated team, quality suppliers and family values.

In our MJS Cleaning Catalogue you will find a selection of products from the brands we represent of cleaning consumables, hardware, machinery and paper goods.

We thank you for your consideration and support of MJS.

CLEANER

CLOTH

Micro series

All your micro cleaning needs

Microfibre cleaning and mop and bucket cleaning is recommended in areas where a scrubber can not be justified. Below is a guide on how to use the Micro Series products.

FOR SMALLER AREAS

1. One or two doses in 500ml spray bottle.
2. Spray onto mop/cloth or directly to surface

FOR LARGER AREAS

1. Place mops in the Microfibre trolley system
2. Pour the Microaid solution and soak for 10-15mins

MICROFIBRE COLOUR CODE

A collection of cleaning supplies is arranged on a wooden surface. In the foreground, a white spray bottle with a green trigger and cap is prominent. Behind it, a green spray bottle with a red cap is visible. To the right, there are two sponges, one light green and one blue. In the bottom right, a green-handled brush with white bristles and a yellow rubber glove are partially visible. The background is a warm yellow gradient with a white diamond pattern.

FLOOR MATS

Matting

All your matting needs

FEATURES AND BENEFITS

Available in 4 sizes:
450x700mm, 600x850mm,
850x1200mm & 850x1500mm

- » 10 year warranty
- » Easy to clean
- » Colour will not fade
- » Reduced trip hazard
- » Anti-skid backing
- » Residential and commercial applications
- » Effective removal of soiling dirt, dust and moisture
- » Nitrile rubber backing
- » 100% solution dyed nylon fibre
- » Indoor and outdoor entrance uses
- » Does not split or harden like traditional PVC mats
- » Mat remains in place ensuring for greater traffic friction
- » Low profile

Not only do our entrance mats look great, but they also reduce the amount of dirt entering your home by 80%. These mats will protect your floors from damage caused by foot traffic and are backed by a 10 year warranty. They are made using 100% solution dyed nylon fibre so will not fade in this time. MJS Matting is a great option for any residential or commercial space.
